### From Madrid Airport (Barajas)

By car (30-45 minutes):

- Take M40 direction N-V/Badajoz
- At M40, after about 25 km, take exit "N-V Badajoz", keep left
- At N-V, take exit at km25 "M-413 Arroyomolinos" (at roundabout, go left)
- After 4 km of winding road, at 2nd roundabout, go left "Urbanización"
- At next roundabout (with fountain) go right, downhill
- We are at the corner of the brown building on the next roundabout, just behind the fountain

A taxi from the airport to Arroyomolinos should cost around 40€
